The petition to revive under 37 CFR 1.137(b) filed 09 August 2006 in the above-captioned application is hereby **GRANTED** as follows:

Applicant states that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." Petitioner must notify the Patent and Trademark Office if such an interpretation of the statement in the petition is not correct. Thus, the statement in the petition is being accepted in satisfaction of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicant has paid the petition fee. Applicant has filed the required reply in the form of an executed declaration of the inventors.
